Shri K.N.Cariappa,
Retired Commander-In-Chief,
of India.

Sir,

I have great pleasure in sending to you under a separate Registered Book Post a complementary copy of my book " Freedom of India - A Big Hoax " for your perusal.

The title might appear to be startling, but I am sure, you will find a study of the book both rewarding and thought provoking. This is not a propaganda book but an academic, dispassionate and objective study of the real nature of the so-called freedom of India, vis-a-vis our membership of the Commonwealth.

The book contains nothing but authentic material It is a result of my 20 years' study of the subject.

You have been an arm of India and your voice go a long way in exploding the myth of the so-called freedom of India.

I, therefore request you to favour me with your comments.

Please acknowledge receipt.

Yours faithfully,

(Ram Narayan).
